

This year for Councils and individuals who are pro-active and desire to keep costs in-line we are introducing an **Early Bird Fee Free** ticket opportunity. These ticket prices are noted as “Free”, however in the title of the ticket and the description the price is clearly noted. The title of the Ticket also starts with: **EBFF -**. These tickets will be available until March 24th and payment by check must be received by March 30th, there will not be any exceptions or allowances with regard to this option. Check amount should reflect the number of tickets purchased for each event multiplied by the price for each event. Tickets will remain available for payment by credit card or personal check through April 14th and will carry the fees associated with the website.
