District No. _____ Council No. _____

Council Name _____ City _____

Instructions: In memory of PSD Leonard Feehan, the Nebraska State Council has instituted an award in 2007 to be given annually. This award is dedicated to the outstanding service that Leonard provided to his community as well as to the Knights of Columbus. Leonard never felt that doing good stopped with the Knights. He was always looking for ways to better his community and help those who lived there. In this spirit the Nebraska State Council is proud of this award in recognition of a Council that has gone out of its way to work with other community groups to improve a specific aspect of the community or to improve the living conditions of members of that community. The project nominated must include the efforts of **at least one other community organization** (e.g. Lions Clubs, Elks, etc.) within the community.

Complete one cover page for each application that you would like to have considered. Send a separate cover page and report to Program Director and Community Director. Some activities may be placed in different categories for award consideration based on Director's discretion. Attach a detailed description of the activity to be considered, **including such things as number of members involved, number of people attending, why the event was held, who benefited, costs, amount raised, promotion/advertising, etc.**

Should submit in written form (below) for best award opportunity.

Use the second page if needed.

1 Award is given in this category at the State Convention.
