

112TH ANNUAL KNIGHTS OF COLUMBUS

SQUIRES CONVENTION WEEKEND APRIL 28-30TH

YOUNES CONFERENCE CENTER KEARNEY NEBRASKA

Convention Fee \$30 – Includes Saturday Lunch/Big Apple/Awards Banquet

***Big Apple increased their rates to \$30 Squire Price- this is the only fee for the weekend!**

Scott Drews will speak this year at our convention. He is a life coach who has found a passion for Gallup StrengthsFinder and Strengths Explorer assessments to help young people understand more fully their unique, God-given talents/strengths. Scott has worked with young people, giving them their first glimpse into their unique strengths, a passion that plays directly into his own strengths. He has done this with other youth and they get a lot out of it!

1. **Explorer assessment cost \$10.00 – Pre-take prior to convention!**
2. Top 3 (of 10) strengths - The Strengths Finder assessment
<http://shop.gallup.com/strengths/1595620184.html> .
3. Website access codes are delivered electronically and typically arrive in 2 days
4. Strengths Explorer assessment has 77 easier to understand questions
5. Receive report of top three strengths with more information aiding them positively in their daily lives

Parents, strongly encourage your child to speak his heart, allowing him to be authentic in answering questions. Let him know he should answer the questions based upon how he feels, ignoring outside influences of friends, siblings, parents or any other influences. **There are no wrong answers!**
