

We have a Membership Incentive Program in progress over the first three months of this Fraternal year called the "Sizzling Summer Start" and we will be conducting additional Incentive Programs throughout the year, so we need your help!!

Grand Knights and Financial Secretaries, please send me a copy of your Form 100s when you're sending them to Supreme, and I'm asking you to do this within 48 hours of your degree. It's a great habit to get into and it insures that your new member will be eligible for all the benefits due him as a Knight of Columbus in the unfortunate circumstance that something may happen to him. I cannot receive faxes, but you can mail me a copy or scan and CC my email address, dwyer@gpcom.net , when you're sending your Form 100s to Supreme.

District Deputies, please follow the same procedure as stated above in regards to your Form 450s. The only difference being is I would like to receive them within 72 hours of the degree if you're sending them electronically, and if by mail, please send within three days of the degree. As District Deputy, I got in the habit of sending in the 450 Form the evening of the degree. It made the process a lot easier while it was all still fresh in my feeble mind.

These are suggested guidelines, but please know the important part is to send me these Forms so we can cross reference the 450s with the 100s and assure that all the Form 100s are getting sent into Supreme. If you do not register these Forms with me your Council, Recruiter and District Deputy will not be eligible for the cash prizes and additional incentives associated with the "Sizzling Summer Start" Program. (If you have not received information on this "SSS" Program, it will be posted on the coming link listed below.)
