The Knights of Columbus Culture of Life Foundation of Nebraska is pleased to assist you in your request for funds from the Foundation for your pro-life efforts. The majority of our funds come from the Knights of Columbus One Rose One Life program as well as our Buck-A-Month program. To learn more about these programs go to nebraskakofc.org and click on the Rose. In order to be prudent with the funds that are graciously given to the Foundation, we do not distribute funds to individuals, or to organizations or groups that contribute to a PAC (political action committee).
