Dear Brother,

Thank you for accepting the call to plan faith filled, engaging activities for your council. This book offers a suggested schedule for popular program events. It also includes some key guidelines for activities.

In recent years, we made numerous operational improvements to give your volunteer time its greatest possible impact. The combined ceremonial, new meeting agenda, affiliate member initiative, new membership card design, online join process, fraternal benefit event, and more have saved millions of hours that now can be better spent on acts of charity and volunteer service.

We also made critical information much more available. Please subscribe to the Fraternal Leader Advisory newsletter which will keep you abreast of all the latest developments. And don't miss our monthly fraternal webinars where you can hear from experts about what successful councils are doing.

Many more improvements are in the works. All are intended to make it easier than ever before to be a fraternal leader.

I wish you every success in the coming year.

Vivat Jesus!

Tom McCaffrey
Vice President, Fraternal Operations

OFFICE OF YOUTH PROTECTION SAFE ENVIRONMENT PROGRAM (SEP)

KOFC.ORG/SAFE

Certain state and council officers/directors are required to complete the Order's safe environment training and may also be required to provide authorization for a background check.

If members in these roles are not compliant within 30 days of notification, they are subject to removal from those roles.

Unique, valid, and personal email addresses are required when completing appointments online for all roles listed below. Praesidium, the Order's safe environment partner, will email appointed members assigned usernames and passwords to complete the training. They will also email a personalized link to provide background check authorization to members requiring background checks. The Knights of Columbus covers the costs associated with these requirements. Although the grand knight may also

hold one of the following roles, there must be three (3) different members assigned to the program, family, and community director roles.

Email notifications are unique to each recipient and cannot be forwarded or used by any other member. The time-sensitive notifications require the recipient to complete training and background check authorization within 30 days of receipt.

All members who have access to Officers Online may view the safe environment status of their council or jurisdiction each week on the Reports tab.

For a council to be compliant with the safe environment program (SEP), all SEP roles must be filled and compliant. If the council sponsors a Columbian Squire Circle, the circle must also be fully compliant.

Member Compliance with Diocesan Safe Environment Requirements

The first requirement of the Knights of Columbus Safe Environment Program is for our members to be compliant with diocesan safe environment requirements applicable to members' volunteer activities in their parish.* When members volunteer at an activity sponsored by a Knights of Columbus council in their parish* they not only volunteer for the Knights of Columbus, but they also serve as parish volunteers. Knights of Columbus asks no more and no less than for its members to be treated just like any other parish volunteers. Just like any other parish volunteers, members volunteering in their parish* must comply with all safe environment requirements applicable to parish volunteers in their diocese.

To assist parishes in helping members comply with diocesan safe environment requirements, grand knights and financial secretaries should follow these best practices:

1. Make a list of all members who serve as volunteers in their parish* for one or more Knights of Columbus programs, events, and activities. ("Eligible Member Volunteer List").
2. Ask each member on the list whether he has completed the diocesan safe environment training and background screening.
3. If the member volunteer has already completed the diocesan requirements, then the date of completion of the diocesan requirements should be recorded next to the member volunteer's name on the council's Eligible Member Volunteer List.
4. If the member volunteer has not completed the diocesan requirements, he must do so as soon as possible to maintain his eligibility to continue to volunteer for the Knights of Columbus in their parish.*
5. The council should provide its Eligible Member Volunteer List to the parish priest, the parish safe environment liaison, and to the diocesan safe environment coordinator upon request.
6. The council should update its the Eligible Member Volunteer List with new member volunteers who become eligible to volunteer in their parish.*
7. The council should confirm the names on its Eligible Member Volunteer List regularly throughout the fraternal year.

Membership alone does not constitute volunteer activity. Membership does not require volunteer activity in a parish.* Members are not exempt from diocesan safe environment requirements applicable to parish volunteers by virtue of their being members. Council business meetings are limited to members over 18 years old, and are not a parish or church ministry. The table below shows how diocesan and Knights of Columbus safe environment requirements generally relate to members:

Knights of Columbus Activity	Diocesan Safe Environment Program	KofC Safe Environment Program
Membership Only	n/a	n/a
Council Meetings – (closed, members-only business meetings)	n/a - (unless a parish is unable to reserve a dedicated time and place for council meetings where it is unavoidable that council meetings share the same time and place as parish ministries at which minors are present (e.g. Religious Education, youth ministry, etc.))	n/a
Church, Diocesan, and Parish Ministries	✓	n/a
KofC Volunteer Activities on Parish Property, OR off Parish Property when related to a Diocesan/Parish Ministry where minors are present	✓	✓
Non-Diocesan/Parish Volunteer Activities Off Parish Property where minors are present	n/a	✓

*Or off parish property when related to a diocesan/parish ministry.

Communications with members and parishioners are a key component for a successful year. Every member and parishioner must know what the council in his parish is doing. Communications channels should be regularly updated with relevant and engaging information.

PLANNING YOUR CHURCH DRIVE

In addition to constantly extending the offer of membership to every eligible man, every council should hold at least two Church recruitment drives each fraternal year. Church drives allow your council the opportunity to invite every man of your parish to be a part of your council. The success of your Church recruitment drive will largely depend on the planning and preparations your council makes leading up to it. This worksheet can be used to note who is in charge of each task and to note completed once done.

FRATERNAL BENEFIT EVENT

A Fraternal Benefit Event is not only a great way to remind members of the fraternal benefits available to them, it's also a great way to introduce prospective members to the Knights of Columbus. This planning worksheet should be used to plan a successful Fraternal Benefit Event (FBE). Use the space below to track progress. The Founders' Award recognizes excellence in the promotion of our insurance and fraternal benefits. Councils striving for the Founder's Award must participate in at least two FBE's during the fraternal year. The required sum total attendance of members can be found in the Star Council requirements. In order for the council to receive credit, the grand knight must submit form #11077 to the general agent preferably within seven days of the event.

Planning Your Fraternal Benefit Event

First Steps

Confirm a date with your Field Agent and discuss logistics, including if the event will be virtual or in-person

If held in-person, work with Pastor and confirm space for Fraternal Benefit Event. Invite your pastor to attend.

One Month Before

Promote the Fraternal Benefit Event to members and their families at least three times prior to the event. (Be sure to include your agent on all communications)

Invite Prospective Members to the Fraternal Benefit Event

Week Of Fraternal Benefit Event

Confirm final logistics, including food and refreshments

Send reminder email to all Members and prospects

After Fraternal Benefit Event

Submit the *Fraternal Benefit Event Form* (#11077) to your General Agent within 7 days of the event
