Bailey Graham, along with her mother, Shauna, will share here life mission and vision for her booming gift box small business.

Baily, who is 12 and was born with Down Syndrome, has made it her life's mission to advocate and educate others.

Her gift box business grew out of a 5<sup>th</sup> grade language arts assignment to detail her dream job. She wanted to sell a few of her favorite things. Her parents helped make it a reality, and Bailey's Boxes was born. It has sold more than 1,500 boxes. There are plans to open a retail store called, *You Are Worth it*, after a phrase Bailey often uses.
