

Call for Life

Call for Life is a newer program that we are introduced in 2021 to councils to participate in and it offers you a new and creative way to support the One Rose, One Life Campaign. How's does it work? It's as easy as:

- Set a goal amount that your council wishes to raise for the One Rose, One Life Campaign
- Have your local Pro-Life director develop a team of supportive brothers
- Divide the amount each team member needs to raise (i.e. Goal \$2,000/ 10 team members/ each needs to raise \$200)
- Call family, friends, parishioners, co-workers and ask them to support this campaign
- Record all donations, forward to each donor a self-addressed envelope, a thank you note and a One Rose, One Life prayer card to each donor
- Collect all funds in a timely manner and **send all funds** to Culture of Life Foundation by March 1st in order to be eligible for council division awards

A suggested calling script, Call for Life program detail report and prayer cards are included in this packet.

I have received calls from many councils who feel that they have been stagnant because of COVID and they are looking for ways to get involved and to get their membership involved. This coming January, we as Catholics, and we as Knights must stand together and send a clear and direct message to our local communities, state and national leaders that life is sacred, life is dear and that life is from conception to natural death.

If you have any questions about the Call for Life program please call us at (C) 402-779-9913/ (H) 402-468-5847.

(Member): Good (morning/afternoon/evening), my name is (state your name)

And I am from Knights of Columbus Council (name/parish and number of council)

today I am participating in a program sponsored by the Nebraska Knights of

Columbus Culture of Life Foundation. This program is a fundraising campaign to

raise funds for the sanctity of Life from birth to natural death. Many of the funds

raised during this campaign will also support local and statewide Pro-Life Centers.

This year more than ever these centers need our help. My council has set a goal

of (state amount set by council) and I have volunteered to help raise these funds.

Can I count on you to help me and my council raise these funds to continue the

support of Life here in Nebraska?

Thank you and may God Bless you.
